IFMP Core Financial Project 'go-live' processes begun

Go-live processes for the Integrated Financial Management Project/Core Financial Project, have begun. An initial release strategy is being used where increasing numbers of users are given system access over a four-day period. User profiles have been established and system identifications and passwords have been distributed. Users will be notified by e-mail prior to being given access. Users must complete all required training or be given clearance by their supervisor in order to be given access to the system.

Nominees sought for Marshall Exchange Council positions

The MSFC Exchange Council has two positions to fill by election. A nominating committee will accept the names of nominees when accompanied by a petition signed by 20 or more employees. Badge numbers also must be included on the petition. Employees may make nominations at large and there is no requirement that nominees and petitioners be from the same organization. Petitions must bear the signature of the nominee indicating a willingness to serve if elected. Nomination deadline is Nov. 15. Petitions must be mailed to Exchange Council Election, CD10X, Bldg. 4315.
